SERTOMA MEANS: SERVICE TO Mankind

Regarding: 8th Annual Camp Sertoma Mardi Gras Party and Auction

We appreciate your interest in the donating goods and or services to the 2009 Mardi Gras Auction Party. It's an easy and genuine way to have your organization get recognition for contributing back to the Midlands community while publicizing your brand to affluent prospective customers. We invite you and your friends to attend the celebration, Saturday, February 21, 2009.

For registration and event details, visit our online calendar at: www.RichlandSertomaClub.org

The Richland Sertoma Club is sponsoring this festive event to benefit speech and hearing programs in the Midlands. It's to be held atop the Wilbur Smith Tower in the Summit Club. Mardi Gras fun goes from 7:00 PM to 11:00 PM.

Camp SERTOMA is located on the shores of Lake Hartwell. Sertoma Clubs across the Carolinas raise funds to sponsor children with speech and hearing impairments for a camp week. It's life like they have never experienced. Young dedicated counselors are adept at sign language and provide campers with skilled supervision and terrific life-long memories.

Sertoma Clubs also provide scholarships at Columbia College for students studying for careers in the speech and hearing therapy field.

Chartered in 1959, the Richland Sertoma Club is the second oldest in Columbia. As a Columbia resident, you probably know this Club produces the annual SPORTSARAMA football spirit event in August at Memorial Stadium and a fall Golf Tournament at Fort Jackson.
